

significant bump on the top of his head with a red line near the center of the bump.

At the conclusion of the interview, Deputy Reinosa asked if it was possible that he was shot with a pellet gun. This question was asked after the audio recorders were turned off but before the video recorder was.

INVESTIGATOR'S NOTE: The Informant who reported the suspicious person with a large black bag near the train station was identified as Darnell Caldwell. He is a regular in and around Lancaster Sheriff's Station and has a possible mental disability. The request for service was recorded under Lancaster tag number 259.

SCENE WALK THROUGH

On August 21, 2019, at 2311 hours, Investigators had Deputy Angel Reinosa walk with them through the crime scene to show them exactly where he was standing at the time that he was shot. The walk through was recorded in its entirety and the following is only a synopsis. Exact details and precise verbiage may be obtained by reviewing the audio recording. Transcripts can be provided if necessary.

Deputy Reinosa showed Investigators how he walked up the center of the parking lot, then to the east of the helipad and through vehicles to his parked Mazda CX5. Deputy Reinosa indicated that he was standing on the south side of his vehicle, near the passenger side door mirror, facing north and slightly west at the time of the assault.

INTERVIEW OF WITNESS JAIME FLORES

On August 21, 2019, at approximately 2325 hours. Investigators conducted an interview with Witness JAIME RAUL FLORES MH/48, in a conference room at the Lancaster Sheriff's Station. The interview was recorded in its entirety and the following is
